5. ICS Discussion on some classes requiring "updated versions" – Gary Wieczorek

There was some confusion within the Office of Emergency Communications, that there are prerequisites to various courses, and they are strict. The OEC made a decision that they were to take the most recent course offering (i.e., ICS 100c, etc.)

The most recent course is not required for COML or COMT courses. WEM will take any version, as per FEMA Training guidelines.
